

# A Snapshot of the Framework Agreement for First Nations as of May 2018

209

communities are involved in Lands Management

Approximately 1 in 3 First Nations have either passed, are operating with, developing or are on a wait list to take up the option for a Land Code in their Community.

80 Operational Communities

This many communities have passed a Land Code by way of Ratification vote and have full jurisdiction over their reserve lands and resources

59

Developmental Communities

Across Canada are committed to negotiating an Individual Agreement with Canada and passing a Land Code in their Community in 2 years

1.4 Billion Dollars

A Partial Benefits Study found that the Framework Agreement generates net positive benefits for Canada between 270M and 1.4B for projects created under the Framework Agreement

3

Land Code First Nations have gone on to implemented Full Self Government Agreements: Westbank First Nation, Tsawwassen First Nation and Sliammon First Nation

The growing success of Framework Agreement Communities is continuing to stimulate interest from other First Nations across the Country. Self Government works for First Nations and is the path to a brighter and self determined future!
